Crop Movement Dips During Week Due To Frosts

Spotted Crop Damage May Be
Compensated By Price
Rise

Produce shipment from the area slipped this week as a result of the weekend frost. Spotted damages either killed or severely hurt 7,000 acres of older stock corn, 2,000 acres of beans, 700 acres of potatoes, some of which will come out again, and between 3,000 and 4,000 acres of tomatoes, according to H. L. Speer, assistant county agricultural agent.

Although there was considerable loss and some damage to individual farmers ample acreage still stands. Higher prices may compensate the losses somewhat, Speer stated.

Approximately 131 loads of produce went out of the section by truck this week. The figure was compiled from shipments of L. D. Walker Trucking, Inc., Henderson Trucking, A. E. Bramble and Stone Trucking, and J. W. Brown.

Railroad shipments dropped from a high of 253 cars last week to 170 cars this week. Following are the railroad loadings:

Catholic Dedication
Draws Capacity Crowd

A capacity crowd attended the dedication of St. Paul's Catholic Church in Belle Glade last Sunday. The Most Reverend Thomas J. McDonough, D.D., J.C.D., Auxiliary Bishop of St. Augustine dedicated the church with the officiating of Rev. Fr. Low Mass.

Assisting Bishop McDonough were Rev. Fathers William DeLoach, Administrator of Sacred Heart Parish in Green Cove Springs, and William J. O'Reilly, pastor of St. Philip's Parish of the mass and hymns. Parts of the mass and hymns were read by the choir of the church, which was organized by the Girls' Choir of Rosary Academy, which is in Palm Beach.

Ordinance Governs Farmer's Loading Zone Traffic Now

In connection with the farmer's loading zone recently constructed by the city, an emergency situation was seen to arise from the inevitable conflict between the coming truck traffic and the present "normal" run of automobiles in the area. In an attempt to remedy the situation, the city has passed an ordinance to regulate such traffic.

The ordinance, which became effective Feb. 15, reads something like this: From October 1st each year to June 1st of the following year, and from the effective ordinance date to June 1st, 1950 and from October 1st, 1950 to June 1st, 1951, between the hours of 6:00 and 8:00 A.M., all traffic around Block 3 at Glade Subdivision will move counter-clockwise ONE WAY.

In other words, traffic will go west on C Place between SW 4th and SW 5th Streets, south on SW 4th between SW C Place and Avenue D, and easterly on SW Avenue D between SW 4th and SW 5th Streets, then northerly on SW 5th to C Place.

Parking is prohibited on the above mentioned portions of street between the hours of 6:00 and 8:00 A.M. Trucks may leave the parking area from any one of the streets surrounding said block 3, Glade Subdivision. The purpose of this ordinance is to prevent, to prevent a

Bagpipers Church To Hold Music School

The Bagpipers church of Belle Glade, Canal Point, and Pahokee will gather their members, music leaders, and music lovers of their respective churches in a five-night school of music to be held at the First Baptist Church, Pahokee, beginning Monday night at 7:30.

The school will be under the direction of Cliff Holcomb of Jacksonville, who is the Florida Baptist Secretary of Music. Overall theme for the week is "Growing a Musical Church."

A musical festival to be given on Friday evening with all churches participating under the direction of Holcomb will be held at the First Baptist Church, Pahokee, beginning Monday night at 7:30.

Each afternoon at 3:30 at the First Baptist Church of Pahokee, Holcomb will meet the Junior boys and girls for one hour of choir training.

Reverend Shirley says, "all are invited to share in this festival of music and church music."

Approximately 131 loads of produce went out of the section by truck this week. The figure was compiled from shipments of L. D. Walker Trucking, Inc., Henderson Trucking, A. E. Bramble and Stone Trucking, and J. W. Brown.

Cigarette Taxes Indicate Business Activity Here

Belle Glade Ranks High In
Tax Returns in Glades
Section

Belle Glade is in the forefront of state business activity, at least if cigarette tax collections for December 1949 are an indication.

In a recent report of cigarette taxes to be distributed to the municipalities of their collection, Belle Glade ranks first in this section of the Glades.

Of the \$14,448,650.32 available money from the collection, \$280,062.04 is donated to the state for tuberculosis control. The remaining \$14,168,588.28 is distributed to the municipalities.

The Glades area, including Belle Glade, Pahokee, South Bay, Moore Haven, and Clewiston, will receive the total return of \$10,977.91. Belle Glade's share is \$6,373.13 or over half of the total.

Ranking second to West Palm Beach in the county, Belle Glade has the largest population surpassed by only 23 cities in the state.

Following the 1949 Florida legislative session, the cities collected their own cigarette taxes. Belle Glade levied three cents per package and netted an average monthly revenue of \$1,600. The city now is receiving nearly four times the amount as under the former system.

City Commission Resolves Action In Wallis Case

The case of A. L. "Dutch" Wallis, who is the first person to be charged with the crime of selling cigarettes without a license, was resolved by the city commission.

A resolution, also presented to the commission, was to suspend the license of the city's cigarette dealer, and it was passed unanimously.

Slullen Is Appointed Rescue League Worker

Mrs. Nell H. Slullen of Belle Glade recently was appointed co-chairman to Mr. N. B. Willis, representative of the Animal Rescue League of the Palm Beaches.

"There is a serious need for this work here," Mrs. Slullen says, "especially following the season when many stray animals run uncares for and spread diseases and infections."

Mrs. Slullen's duties include picking up stray and injured animals in the territory and placing them in the care of the Belle Glade Animal Rescue League branch. The city recently has built new concrete floor pens.

Once a week a worker, who is now waiting for a new truck to facilitate service, Mrs. Slullen says. The local rescue league is now waiting for a new truck to facilitate service.

An animal lover, Mrs. Slullen has been working in the rescue league for many years. She has four stray dogs at her home, and one time had as many as seven.

Golfing Elks Of SE Florida Guests Of Belle Glade Sunday

As a stimulant to inter-community relations, Belle Glade Elks Club participated in the formation sometime ago of a league composed of a number of Elks Clubs in Southeast Florida to play periodically at alternate courses throughout the territory.

In addition to the team play all playing Elks are invited to play and appropriate prizes for all from the stinging arena of the clubhouse. The play is followed by a banquet where prizes are awarded usually in the clubhouse.

Sunday Bob Muller, Chairman of the Elks Club, is the host of the day. The Elks Club is the host of the day. The Elks Club is the host of the day.

Everglades Drainage Pays \$892,000 Bond Principal Leaving \$2,581,284 Yet

Everglades Drainage Pays
\$892,000 Bond Principal
Leaving \$2,581,284 Yet

Florida's state road department plans to spend nearly \$80,000,000 during 1950. Of this amount, set up in a tentative budget, \$45,721,500 is to be spent on new primary road work, \$14,012,335 on secondary farm-to-market roads, and the balance will be used for maintenance, reserve, acquiring rights of way, salaries and other expenses. The budget will be acted on by the department when it meets in Key West March 13.

Several years ago—Before Flood Control—there were meetings, trips, discussions and lamenting over an overall debt amounting to \$17,000,000 including unpaid bonds and interest, delinquent taxes and interests on the Everglades Drainage District.

Spensard Holland, as Governor, brought Mr. H. C. Rorick the all-time unpaid "debt" to the "wood-pile" of Everglades ownership, and the money bags of RFP together in a deal to refund the outstanding indebtedness for a total of something over \$5,000,000. This was later reduced to \$4,500,000 and refunded by private bond interests, including bonds of interest and favorable terms than RFP, with final maturities callable up to 1951.

Figures on expected income from collected taxes at the present time indicated the early payment of the last bond issue, and legal provisions were included by the Legislature to eliminate all taxes for Everglades Drainage when final payment is made.

Ladies-e-e-e-s and Gentlemen--

YOUR RAILROAD AND UTILITIES COMMISSIONER N. D. Wainwright, Jr., State business man, today announced his candidacy for Railroad and Public Utilities Commissioner, Group 1, in opposition to the late and Grady N. Albright who has previously announced.

"Wainwright is the son of the late Mary Alvarez Wainwright, who was a prominent business woman and a leader in the community."

Social Happenings

Mr. I. C. Holt, Pine City, Minnesota, who came to Belle Glade to visit at the home of his daughter, Mr. and Mrs. Glenn, has been a patient the past three weeks at the Belle Glade Memorial Hospital. Last Sunday he was transferred to the Good Samaritan Hospital, West Palm Beach for special care.

Mr. and Mrs. Glen Gruber, Hartsville, Ohio were guests last week end with their parents, Mr. and Mrs. Carl T. Cone. They were accompanied by D. C. Arnette.

NEWS VIEWS

It's almost a given, a fact of life in this city, that if a man of another city is to leave your town, he must first be "seen" by the local press. It's an old tradition in the first newspaper with street law and a story of a man in his make-up. It's a city where you can't get away from the camera. It's a city where your car parked will always be in the paper. Police who sometimes seem to wind you.

A bit of last week's story of a man who was seen in the paper, was a man who was seen in the paper. It was a man who was seen in the paper. It was a man who was seen in the paper. It was a man who was seen in the paper.

Miss Donna Jean Kirchmann, who was taken to St. Mary's Hospital, West Palm Beach, returned home Thursday and is reported greatly improved. She is able to have company at her home and expresses her appreciation for the many kindnesses shown her.

Mr. George Baydson and Mr. and Mrs. Albert Squires attended the horse show in Miami last Sunday.

Mrs. E. K. Horner arrived Tuesday from Eaton Rapids, Michigan, and is a guest at the home of Mrs. Ruth Wedgworth while visiting her brother and sister-in-law, Mr. and Mrs. C. P. Springer and other relatives here.

Mr. and Mrs. R. W. Kidder and daughter Dorothy accompanied by Mr. and Mrs. Spitz and son Bill, went to Ft. Lauderdale last Friday where they heard the noted E. Stanley Jones speak at the Park Temple Methodist Church.

Mr. and Mrs. Alfred Aimers and daughter, Bonnie Lee, Chicago, were house guests of Mr. and Mrs. Lloyd Bass all last week. The group enjoyed tours to nearby points of interest in Florida.

Mrs. E. Fowler Forbes, Oshkosh, Wis., arrived last Friday to spend several weeks with her daughter, Mrs. J. E. Jones.

WOMAN'S CLUB WILL GO TO LAKE WORTH MARCH 2

The County Federation meeting of Woman's Clubs will be held in Lake Worth March 2nd. Those wishing to make reservations are asked to call Mrs. F. C. Dooley before the 21st.

GUESTS AT CORNERSTONE CEREMONY HONORED AT TEA FOLLOWING SERVICE

Following the cornerstone ceremony of the Community Methodist Church last Sunday, the women of the church gave a tea in the old church honoring Bishop Short and Dr. Blackburn. Mrs. A. J. Wallis was in charge, assisted by Mrs. James

Frank J. Lewis and son, Palm Beach and Chicago, who contributed generously to the building fund; Mr. and Mrs. Frank Shaughnessy, Pahokee; Mayor and Mrs. Harold Rabin, Building architect Dean and Mrs. Deas; Sister Richard Ellen and the choir; Mother Brogetti, Mother Superior of the Rosarian Academy and six sisters from the school; Mr. and Mrs. John Tabit, Mrs. Inouge Fontaine and Mr. and Mrs. Robert Cameron, Mrs. McCabe was assisted by Mrs. Cameron and Mrs. Tabit.

Pictured are (left to right) Little Miss Sharon Sadler, (8 yrs.) Mrs. Billie Sadler, Mrs. Wm. A. Bea Der and Mrs. Lawrence Bassett, representing four generations.

Mrs. Bea Der celebrated her 75th birthday last Friday. Born in Roswell, Georgia, February 17, 1875, she has lived in the Lake region the past thirty-one years, making her home since 1923 with her daughter, Mrs. Alvin A. Kirchmann. Mrs. Bea Der has three daughters living in Belle Glade, Mrs. Lawrence Bassett, Mrs. Freda Amann and Mrs. Alvin A. Kirchmann.

A. Ball, Jr., co-chairman, Mrs. C. E. Maynard, Mrs. Pat Burke, Mrs. C. A. Bailey, Mrs. D. C. Dehaven, Mrs. W. C. Gambell, Mrs. Frank Morris and Miss Mary Leonard.

In the receiving line were the honor guests and Rev. L. F. Vandevanter. The lace covered tea tables were set with silver and coffee service, each centered with colorful arrangements of flowers and fruit.

The hall was decorated with arrangements of gladioli and daffodils. Mrs. Ivan Van Horn was in charge of the floral arrangements.

Dorothy Kidder, Helen Causeaux, Wanda Mackey and Winifred Barry were in charge of the nursery and served the children Grapefruit and cookies.

CLUBS ENTERTAINMENT CLUB

Mr. and Mrs. William Gruber entertained their club at their home Friday night of last week. Five Hundred was played, high prize won by Clarence J. Aspey and Mrs. Lloyd Aspey. The group enjoyed the evening. Guest speakers were Mr. and Mrs. C. J. Aspey, Mr. and Mrs. Lloyd Aspey, Mr. and Mrs. J. Norris, Mr. and Mrs. Don Aspey and Mr. and Mrs. Alfred Vaden. A dessert course was served.

VEGETABLE COOKING DEMONSTRATED AT CLUB LAST THURSDAY

The Home Demonstration Club held their meeting at the Women's Club last Thursday afternoon at 3:00 p.m. with Mrs. Urban Fehling, president, presiding.

Miss Sarah Horton, home demonstration agent, gave a very interesting and instructive demonstration on cooking vegetables, stressing the value of quick cooking with steam in preserving vitamins.

Hostesses were Mrs. W. R. Hooker and Mrs. Ralph Kidder. Thirteen members attended.

SHOWER COMPLIMENTS MRS. W. K. WHITLOCK

Mrs. W. K. Whitlock was complimented with a stork shower last Friday night at the home of Mrs. Donald Kirchmann with Mrs. L. Earl Williams and Mrs. Louis Kirchmann as co-hostesses. The home was arrayed with gladioli, roses, nasturtiums and gerberas and a pink and blue color scheme carried out in arrangements.

Mrs. J. L. Gay read a poem, "Baby To Be" and Mrs. Earl Williams presented Mrs. Whitlock with a corsage of carnations. Games were played and prizes won by Mrs. Jean Short, Mrs. Paul Kirchmann and Mrs. B. N. Forrest.

Other guests were: Mrs. Bob Cameron, Mrs. Annie Barlow, Mrs. Fred Kirchmann, Mrs. John Tabit, Mrs. Vic Riedel, Mrs. Martha Kaufman, Mrs. Troy Todd, Mrs. J. B. Jones, Mrs. Betty Lutz, Mrs. Jack Whitlock, Mrs. Will Gay, Mrs. M. R. Bedsole, Mrs. Ralph Mathis, Mrs. Bob Muller, Mrs. J. L. Gay, Mrs. A. H. Kirchmann, Mrs. Edward Thompson, Mrs. David Motes, Mrs. Robert Lanier, Mrs. Cecil McClure, Mrs. Tommy Parker, Mrs. T. H. Brent, Mrs. Harry Smith, Mrs. Bill Crider, Mrs. Clarence Williams, Mrs. Ray N. Whitlock, Mrs. Lloyd Bass, Mrs. Marion Spooner, and Mrs. Grace Israel.

Refreshments of salads, nuts, cake, coffee and punch were served. The honoree received many lovely gifts.

MRS. TOMMY PARKER HONORED AT SHOWER

The home of Mrs. D. Harry Smith, Indian Mound, was the scene of a stork shower last Saturday night, honoring Mrs. Tommy Parker. The house was attractively decorated with floral bouquets or roses and daffodils and the pink and blue color scheme carried out in arrangements. Co-hostesses were Mrs. L. L. Price, Mrs. George Barlow, and Mrs. E. J. C. Gay.

Miss Dorothy Rutledge entertained with a number of guests.

LUBRICARE keeps your Buick livelier longer

Just realize one thing, good madam, good air—as you pilot your Buick down the highway past the parade of lesser cars, you're the secret envy of most other drivers.

So you owe it to this admiring audience to keep that wonderful Buick of yours purring at its proudest—gliding over the roughest roads like a car on a cloud, with never a squeak—lively, long-striding, and staying that way longer!

And one of the easiest ways to do that is to wheel into our shop once a month—ask the man for our LUBRICARE—and here's what will happen:

- One of our trained Buick mechanics will lubricate your car. An factory engineers specify—covering many points never touched elsewhere.
- While he goes over your Buick, he gives you an extra service only a Buick man can render. He inspects the entire car with a trained Buick eye—making sure you get lubrication plus Buick care.
- When you get your bill, you'll find a wonderful surprise—our LUBRICARE costs no more than a routine "grease job" but, man, what a difference it makes!

Buick care keeps Buicks best

CITY COMMISSION

Continued From Page One
The Court of Record of Palm Beach County. Vote was for one in favor of passage. Business agenda included the resignation of James A. Ball, Jr., from the Civil Service Board, and the commission voted acceptance. Ball's explanation has already been heard at an appointed point on the agenda. He was not heard by the Board, and deemed it improper to carry two city or county connected positions simultaneously.

Incomplete draft on the new permanent registration ordinance, which will provide for registration of all voters in March and April, was presented. Reading of the complete form will take place at the next meeting. Announcement was made that the city will add the Post Office Department in installation of street mail boxes. Tentative have been made for opening delivery service April 1.

Shades Of Yesterday

The mother was showing her son the family album. She pointed out the great-grandfather, great-grandmother, and great-grandfather. The mother's twin cousins who went to China as missionaries. "Who's this long-haired dude with the French mustache?" "Why that's your father." "What! Then who's this bald-headed man who lives with us?"

The Florida Forest Service was created by an act of the 1927 legislature.

Solid Comfort Solid Truck I

There's comfort aplenty in GMC cabs. They're appointed in the "solid comfort" passenger car manner — with deep, adjustable seats that lessen driver fatigue; big windshields and windows for clear, wide-angle vision; protective valance against dust, drafts, engine heat and noise; built-in ventilation system... a dozen other features, including ash tray, dome light and package compartment.

Under these all-steel cabs lie the firm foundation of truck-built engines and chassis... solid power and strength which combine with GMC comfort to form a really solid truck!

The GMC "Think" truck combines the best of both worlds.

Troop 22 Struggling: Outside Help Needed

Both attendance and membership have shown a decided increase on the records of Scout Troop 22. Omitting that busy week when the Methodist evangelists were here, the attendance has not fallen below the dozen mark at weekly meetings. Bill Meen's meeting to form must have had some effect during that week, because only 4 Scouts were here. Two weeks before, the little Scout Hut was nearly filled, sixteen boys on hand.

However, the multiple action of a circus, a few basketball games and a few church activities appears to have taken a heavy toll on the interest of the boys. Although last week (Feb. 12-13) was National Boy Scout Week, a week when activity was planned for every day, not many boys were here. The leaders of Troop 22 are expected to become extremely embarrassed when they must report on the troop's program failure.

Regular troop meetings will continue to be held every Thursday night at 7:30 in the Scout Hut, Paradise Park, under the supervision of Scoutmaster Garold McKee. New members, or just-visitors, are always welcome. Parents or anyone interested in boys are especially asked to "drop in" now and then, and constructive advice is appreciated.

Mr. Fiedler Attends Jacksonville Meeting

Mr. Ernest H. Fiedler, Superintendent of Belle Glade Memorial Hospital, Belle Glade, Florida attended the annual meeting of Active Members of the Florida Hospital Service Corporation at the George Washington Hotel in Jacksonville, Florida, on Tuesday.

Mr. Fiedler was unanimously elected, as an Active Member of the Corporation, by the executive committee of the Florida Hospital Service Corporation at their executive meeting on January 27, 1950 in Jacksonville.

Approximately 135 persons representing the 12 general hospitals in Florida which are participants in the Florida Blue Cross Plan attended the meeting. Annual progress reports of the President, Treasurer and Executive Director, were followed by election of the Board of Directors for the coming year, and an open discussion of

the future of the organization.

hospital and plan activities.

The non-profit Florida Blue Cross Plan is sponsored by the hospitals of Florida to enable working people to budget in advance for the cost of hospital care for themselves and their families.

ORDINANCE GOVERNS

(Continued From Page 1) clients and second, to keep all traffic in the farmers' loading area flowing freely during the peak of the straw season.

There is an alternative course which may be taken regarding the loading area. That is, if the would-be offender feels he can spare a hundred bucks or thirty days for both.

New Negro School

To Add Four Classrooms By Fall

The Lake Shore elementary school is receiving four new classrooms in time for the next fall session.

This was determined at last Tuesday's meeting of the Palm Beach County School Board. Chairman George Stiles announced that Edgar Wortman, school architect, was authorized by the board to draft plans for the rooms and submit them to the State Department of Education for approval.

The addition is to be financed with \$25,000 which was forwarded from the city of Belle Glade for purchase of the former school site.

By Staff Writers

The Club members of the "B" Club were honored February 14 at the home of Coach and Mrs. Leavitt. The regular meeting was conducted and Ronnie Cameron brought himself into good standing by paying back the dues and the fee for missing a "B" Club dance amounting to \$3.25.

Plans for conducting a year inter-class basketball tournament were discussed. The freshmen will play the juniors; the sophomores will battle it out with the seniors, and then the two winners will oppose each other to decide the final victor.

Following the meeting a social hour was enjoyed, and cakes and cookies were served by the hostess.

F.H.A.
The Future Homemakers of America sponsored a baked food sale Saturday as the beginning of a series of activities to earn at least \$150.00 by March. The other activities planned are dance to be given on April 6 which is the Thursday before Easter, a turtle race, a shadow party, and on March 19, the selection of "Little Miss Belle Glade."

The contest for the selection of "Little Miss Belle Glade" will be open to all little girls between the age of two and five. An entry fee of a dollar will be charged, and an engraved gold-plated loving cup will be presented to the lucky little winner.

In March, Clara Stein, Irma Stein, Catherine Friedheim, and Ann Stein will attend the F.H.A. convention in Tallahassee as representatives of the Belle Glade chapter. That explains the need for the \$150.00.

Annual Staff
After several months of hard work and worry the 1950 annual staff can finally relax. The oil burned late on February 14, Valentine's Day, too; and the deadline for sending in all material, February 15, was met.

It was a happy group, also, proud, that left the school that night feeling their job well done. You'll say so, too, when the year-books arrive this spring.

Belle Glade vs. Lake Worth
The Belle Glade A and B basketball teams played Lake Worth Wednesday night, February 13. A bus carried students to witness the game so Belle Glade as well as Lake Worth was well represented.

First on the program was the B team. Bob Farmer led out during the fourth quarter. John Lamb was high point man, and the final score was Belle Glade 23—Lake Worth 28.

The A team game was witnessed by an anxious crowd. Lake Worth scored the first four points to get the game underway. Our A team completed 10 shots from the floor and 10 free shots. Final score Belle Glade 28—Lake Worth 41. Bill Mison was high point man for the Rams, and D. C. Nelsa rated second place in high scoring.

Spanish Club
On Monday, February 20, the Spanish II class organized a Spanish Club and caused the dream of past years to become a reality. They selected "Los Gringos" as the name for their club and the following officers were elected: president, Johnnie Lowrey; vice-president, Catherine Friedheim; secretary, Shirley McCraven; and treasurer, Donna Norris. Mrs. Ruth Lang-

You can insure budgets!

Even the most carefully budgeted income cannot withstand the drain of unexpected losses. A fire, storm, burglary, personal accident or damage suit can rob you of your possessions and even mortgage your future income.

Prudent people budget their expenses, and guard against the unexpected by including carefully selected insurance protection in it. A budget that is not thus secured resolves itself into a matter of burdensome bookkeeping with the possibility that at any moment it might have to be written in red ink.

List insurance in your budget and keep your balance out of the red. We can help you select the proper protection.

worthy, Spanish teacher, is advisor.

The purpose of the club is to learn more about our neighbors, the Spanish speaking countries, "Aqui se habla español" or in English, "Here we speak Spanish" is the club's motto.

Several interesting activities are being planned for the remainder of the year. Former Spanish students are entitled to be honorary members.

Pop Club
The Pop Club met in the gym during sixth period Tuesday to distribute the hats that were ordered. Then the cheerleaders led several polka in preparation for the game with South Broward. Everyone go to that game and support your basketball team.

Commercial Course To Be Given For Adults

Under the direction of the Palm Beach County School a course in shorthand, typing and bookkeeping is being offered to those adults interested. The course will be taught by Miss Fay Ledbetter, local commercial teacher, registration only \$1.00 and a fee of fifty cents per hour for the sixty hours. In order for the course to be taught there must be an enrollment of nine adults. Anyone interested may phone the school, 2938.

GOLFING ELKS
Continued from Page 1. ed breed; the ladies of the Club will prepare a full variety of Glades vegetables including potatoes, beans, radish, celery, peppers, lettuce, romaine, onions, etc., to stimulate and support the main dish.

Baskets of vegetables from the several varieties are prepared by Bill Graber to supplement the purely golfing prices.

Visitors will be here from Vero Beach to Key West and as long as the ladies have been invited, local Elks ladies are urged to come along, particularly in the afternoon to mingle with and entertain out-of-town guests.

The widely appreciated hospitality of the Glades will be upheld Sunday, and it can be much easier on the working committees if each Elks wife will assume her responsibility to meet and know our visitors.

It has not been the practice generally to have visitors at these functions; Belle Glade is going "all out" for the ladies.

MOTORISTS PROTECT
(Continued from page 1)
entered around a violation on someone's part.

"Excessive speed alone figured in about 340 of Florida fatal accidents in 1948. It is almost inconceivable that so many people either did not know—or care—that the posted or safe speed was at the time of the accident."

The Florida Highway Patrol listed the most common traffic law violations as excessive speed, driving the right-of-way, turning while under the influence of alcohol, incorrect overtaking and passing, disregard of a traffic officer, sign or signal, driving on the wrong side of the road, and unsafe vehicles.

"These violations," Kirkman said, "figured in more than 500 accidents in 1948 in which one or more persons died."

"Ignorance of the law—especially traffic law—is no excuse, either in court or as a balm for the driver's conscience. Knowing and obeying traffic rules is a moral obligation that one automatically assumes with the purchase or use of an automobile."

February's program of traffic safety education is being conducted with the cooperation of the National Safety Council, and is coordinated in Florida by the Florida Highway Patrol.

FLA. POWER & LIGHT
Continued from Page 1. pany during the four years, it held end-to-end, would reach from Miami to Winnipeg, Canada.

Florida Power and Light Company at the close of 1948 had 81 miles of rural lines in this district and at the close of 1949 it had expanded them 136 miles, an increase of 69 percent.

The importance of the extension of rural electric lines was emphasized by the power company manager who pointed out that the business success and progress of an area is largely dependent upon the availability of electricity.

"Extension of rural electric service improves the income of our people by enabling them to operate on their own land such businesses as vegetable or fruit processing plants, quick-

freezing plants, pasteurizing plants and other enterprises formerly restricted to city areas. "Florida as a whole has made rapid strides in rural electrification," deMaya declared. "Of its 61,136 farms, United States Agriculture Department figures as of June 30, 1948, show that 49,769 farms have become electrified."

"Florida, with 77 percent of its farms electrified, is ahead of the 74 percent average of the southern states."

"We can appreciate Florida's achievement better when we realize that this supply, for instance, has only 49 percent of its farms electrified and Tennessee, with its government-financed TVA, has only 66 percent of its farms electrified."

According to these government figures, Florida is far ahead. "Our company has great confidence in this area," deMaya declared, "and it is evidencing this confidence by investing its dollars here."

EVERGLADES DRAINAGE

(Continued from page 1)

assailed on account of Everglades Drainage than any other subject of public moment in South Florida during the past 15 years and paying these bonds has been liberally paying for indications of youth.

The current Everglades Drainage Board is paying off \$880,000 of bond principal, bringing the remaining unpaid principal plus interest to \$2,753,934.40.

There remains in the hands of the State Treasurer, in government bonds, about \$800,000 with which to pay off these bonds, and each year approximately \$500,000 is collected in taxes, so that by 1935 taxable year, enough money should be on hand with the State Treasurer to retire all outstanding indebtedness of the District.

There is a possibility that collections, estimated annually at \$500,000 plus \$200,000 expected from 49 plus \$23,934.40. There is a possibility of a reduced acreage tax for the year '33 if something goes awry with expectations.

You may ask "Why isn't the \$800,000 paid right now to further reduce the debt and stop interest?" Well, now when the Money-Bags agree to lend you this money you must have previous agreement to keep it so long and pay interest, which is what was done in this instance. Under this agreement the borrowers agreed to try to pay \$802,000 on April 1st of this year, and are doing it. They have permission to pay \$1,796,000 which will not be due on April 1st, 1935. So, the \$800,000 plus whatever other monies come in and are not needed to pay regular maturities will be kept by the State Treasurer in government bonds on interest until the bond holders are willing to take their money.

Of course a small penalty must be paid for paying off this debt before due but that will not equal the interest saved. Everglades Drainage taxes are close about the Lake run \$1.50 per acre per year scaling downward to about \$0.50 per acre for the farm lands. To be relieved of from 80 cents to \$1.50 per acre taxes in '33 should be good news to all landowners in the Glades.

Other areas will benefit likewise, but not as much as Glades lands.

DAVID HUNTER

Continued from page 1
Highly qualified golf professional, Hunter, has written a book entitled, "Golf Simplified, Cause and Effect," which was published in 1921. He is now gathering material for another book which will include pictures of famous contemporary golfers.

Heading for the far end of the globe, Hunter accepted his first position at the Hurlingham Golf Club in Buenos Aires, South America.

Following a brief return to England, he came to the United States to assume duties at the Meadow Brook Golf Club in Long Island, New York.

Succeeding positions took him to the Baltusrol Golf Club in Short Hills, New Jersey, Essex County Country Club in West Orange, New Jersey, and Plantation Golf Club in Nassau County, Long Island.

Became a golf professional and see the world, says Hunter. After his last position he journeyed to Miami to build a large putting green.

The Hunters have one son, Charles, who standing several inches above his father, is a "block off the old club." He is now professional at a Guatemalan golf club.

The Hunters are settled in Belle Glade bag and baggage including beloved pet, Missie Marilyn, their money colored cocker spaniel.

Cinematic Chatter

A pretty war widow's efforts to choose between two prospective husbands keynotes the new plot of "Holiday Army," starring Robert Mitchell, Janet Leigh and Wendell Corey, which is due to be screened at the Hugo Theatre, Sunday-Monday.

By all the rules, the heroine should marry her first suitor, a well-to-do attorney. But when the second man, a jobless wanderer, comes along and criticizes her whole attitude to life, things develop into a highly complicated triangle, with frequent hilarious results.

A new juvenile find, Gordon Gebert, heads the supporting cast as Miss Leigh's small son, and Griff Barnett, Esther Dale, Henry O'Neill and Henry Morgan have featured roles.

One thing certain, when you go to see this comedy you will see Mitchell in an entirely different role than you expect, and I am sure you will like him in this new characterization.

GLADES NEGRO NEWS

Lake Shore Elementary

(Continued from Page 6)

Our "Diary" was the winner of the first prize banner at the recent meeting of the State Congress held in Tallahassee. The scrapbook contains newspaper clippings relative to activities here in the school, several copies of the school paper, THE BEAM, and snapshots and photographs of school activities over the past several years.

Miss Myrtle Edgcomb, who was a delegate from this school, states that there were twenty counties represented in the scrapbook contest. "The scrapbook," she says, "were judged according to inclusiveness, historical value, and neatness." Judges in the contest were Mr. Randolph Edgcomb, Mr. C. E. Everett, and Mr. Sigmond Green, all of the Art Department at Florida A. and M.

The school also received a first prize for its arts and crafts exhibit.

Member of P.T.A. Agate

Receptive State Recognition

Mrs. Daisy Murrell, a member of Lake Shore Elementary P.T.A., and former chairman of the State Congress Arts and Crafts Committee, was elected Chairman of the Publicity Department for the next two years.

Junior Red Cross News

Council members of the Junior Red Cross here attended a meeting of the Glades Council at Everglades Camp School on Thursday, February 18. The group viewed with much interest the International Art Exhibit, and enjoyed the showing of Kodachrome slides picturing various scenes throughout the world.

Mrs. Muriel Pringle was in charge of the exhibits and showing of the slides.

Council members making the trip to Pahokee were: Betty Jean Flowers, Elbert Tucker, Jacquelin Caldwell, Ernestine Edwards, Samuel White, Mattie Peterson, Sammy Clark, Clarence Jumper, Daisy Mae

Singleton, Marion Sherrod,

Georgia Mae Coleman, Barbara Pollard, Sam Johnson, Gloria Smith, Carrie O'Neal, Barbara Egerton, Mary Byron, William Cullen, Sylvia Carrigan, Barbara Singleton, Christine McCants, Eddie Lee Eumph, and Mary Lane.

Miss M. T. Shannon, Mrs. N. M. Singleton, and Mrs. E. P. Oliver accompanied the group. Miss Shannon and Mrs. Singleton are co-sponsors of the Junior Red Cross Council here.

New Member Added

To School Staff

Miss Julia Mae Fountain of West Palm Beach has recently joined the faculty here as lunchroom manager. Miss Fountain is a native Floridian. She

did her high school work at Industrial High School, in West Palm Beach and received the Bachelor of Science Degree in Home Economics at Florida A. and M. College. She has had

three years of experience at Benedict College, Columbia, South Carolina.

All of us wish for Miss Fountain the best of success in her new position.

SENSATIONAL NEW ANTI-RUST GASOLINES**CONTAIN RD-119**

New Chemical Discovery Protects Your

Car's Fuel System Against

Rust and Corrosion

STOPS RUST in your gasoline tank.

STOPS RUST which clogs fuel lines, strainers, carburetor jets.

REDUCES WEAR caused by abrasive rust particles.

Ask
Sinclair Dealers
to Show You
VISUAL PROOF
that
RD-119 STOPS RUST

RUSTED in Ordinary Gasoline

Gasoline doesn't rust metal. But water does. And minute quantities of water are formed by moisture condensation or "sweating" on the inside of every gasoline tank. That makes rust. See heavy rust coming on steel rod after prescribed laboratory test in ordinary gasoline containing small proportion of water, as does your gasoline tank.

PROTECTED in New Sinclair Gasoline

This steel rod was tested in new Anti-Rust Sinclair Gasoline under identical conditions as rod at left. It's clean and rust-free because it was protected by an invisible film of RD-119, now contained in all Sinclair Gasolines. RD-119 stops rust and corrosion in the same way in your gasoline tank and fuel system.
